Public: Presenting a Cypress Point Golf Retreat with its own three-hole "Chip and Putt" golf course in the backyard on a 2.2 acre, two-lot parcel. This approximately 7,000 square foot, estate home with a guest house, is located behind a private security gate on the 4th fairway of the Cypress Point Golf Course in the prestigious estate area near the Cypress Point Club in Pebble Beach. The classically designed home was custom built in 1989 with a Monterey Colonial flair. This resort estate features a large patio with spa, a formal living room, a huge family room, a formal dining room, a billiards room, a media room, a sommeliers wine cellar, and a 4-car garage for the Pebble Beach Concours collector. Enjoy Pacific Ocean views from the grand master suite with two other upstairs suites. There are Cypress Point Golf Course views from the entire north wing of the house. The elegant custom, 874 square foot guest house with kitchen has its own separate garage. APN 008-291-021-000 and 008-291-009-000.

Public: Its all about the view. This home has a sweeping ocean view including Point Lobos. Along with the view comes this intriguing 3 bedroom, 3.5 bath home designed for your entertaining pleasure. The formal entry with glass turret sets the stage for the living room complete with built in bar. Features include hardwood floors, a very easy to use kitchen with breakfast bar and family room area plus a more formal eating area off to the side. Spacious closets, excellent storage and built-ins throughout the house. The third bedroom is currently outfitted as an office and has a private bath. Plenty of space for your work or your guests in a two bedroom, two bath guest house which is totally separate from the main house. The guest house will benefit from some updating. All in all this is a very flexible property with great possibilities.

 Public: This tastefully remodeled 3 bedroom, 3 bathroom ranch style home is close to the beach, golf courses, and a short drive to shops and restaurants. Multiple skylights throughout the home bring the natural light in and create an open, airy and peaceful setting. High ceilings in the living room, French doors in the dining room and an updated kitchen & breakfast room create a wonderful space for entertaining. There are hardwood floors in the living spaces, a family room off the kitchen and a fabulous office/studio that can make "work from home" an easy option. The owner's suite is a "masterpiece" with open beam ceiling, a beautiful remodeled bathroom and a walk-in closet. With access from the family room and dining room, you'll find a cozy outdoor fireplace, multiple decks and a completely private backyard that looks out to the forest. Ready to move in?
