Public: Ideally located in close proximity to Asilomar Beach, this special property provides a unique opportunity to live near the ocean yet be surrounded by a peaceful forested setting on over half an acre. Built in 1993, the main house features an open floor plan consisting of four bedrooms and three full bathrooms that is ready for a variety of creative entertainment uses. The upstairs primary bedroom suite includes an expansive private balcony, fitness/office space, spacious bathroom, and walk-in closet. Storage is abundant as there is an attached two-car garage, two-car carport, multiple exterior lockers, and sufficient parking for oversized vehicles. Located on the back portion of the property is a one bedroom, one full bathroom detached studio complete with a kitchen and fenced-in area for gardening or animals. Whether it's listening to the crashing waves at night or capturing the sights of monarch butterflies during the day, this would surely be an exciting place to call home.
